

Fall Reminders

18 November 2025

Rest of Fall Reminders

- This Thursday Data Lunch: Instructor workshop for your final projects!
 - Bring any questions, concerns, progress
 - Ideal if you could have the data wrangling steps complete
- Upload Data Lunch reflection from **last week** (Jake Gordon BaBase) either in separate document or in this week's problem set
- Next week:
 - Class on Tuesday Nov 25th – final SQL class
 - No class on Thursday – Happy Thanksgiving!
 - All Problem Set grades will be on canvas by end of November – let us know if you have questions
- Final projects due December 5
 - Upload to GitHub repository
- Class feedback forms sent via email – let us know your thoughts for future semesters!
